(Start Belt #9)

SENATOR CARPENTER: I don't care if you do it or not except that wherever you give loup holes they are generally available. There is no reason for example under your amendment as I would understand it, that a person could give \$50 instead as many times as he might want to in order to bring about not an arms length transaction. People being what they are they are looking for money which I am and every candidate is, sometimes we find ways in order to circumscribe.

SENATOR BARNETT: How about Senator Carpenter before the word contributions say for except for a total of contributions of \$50 or under.

SENATOR CARPENTER: That is fine if that is what you want it to do.

PRESIDENT: You are now amending it to include a total of \$50.

SENATOR BARNETT: If I have to amend it I'll do it otherwise I would just as soon have it in the same amendment.

PRESIDENT: You can amend it, that is fine with the Chair if that is your wish to do.

SENATOR BARNETT: I would like to suggest that we take Senator Carpenters amendment and amend it to concern so that it will read except for a total contribution of \$50 or under. I so move for that.

PRESIDENT: Very good that is covered then in the motion. Now, are you all through discussing the motion? Senator Barnett are you through discussing the motion then?

SENATOR BARNETT: It makes one contribution of \$50 or under that is what it says now. Are you all through discussing the motion now.

PRESIDENT: Are you all through discussing the motion now? Question is do you want to adopt the Barnett amendment? All those in favor of adopting the amendments vote aye, those opposed vote no. You are adopting the Barnett amendment to 677 on Select File. Have you all voted? Clerk will record.

CLERK: 26 ayes 2 nays and 21 not voting.

PRESIDENT: Motion is adopted.

CLERK: Now Mr. President there is another amendment. Read amendment.

PRESIDENT: Chair recognizes Senator Barnett.

SENATOR BARNETT: Mr. President, was that the whole amendment that you adopted, or just the amended version of it?

PRESIDENT: No that is the whole amendment that was adopted a minute ago.
